FALL

1824 FRATERNITY PARK DRIVE, KNOXVILLE, TENNESSEE 37916

Dear Alumni,

I am pleased to inform all of you of an excellent fall rush. After much hard work by Rush Chairmen Scott Crabtree and Paul Enoch, forty top-quality men were pledged.

Summer rushing proved to be the key, with many people ready to accept a bid as soon as they stepped on campus. This, combined with an excellent week of activities aided the Brothers in their attempt to "get to know" the rushees and in turn for the rushees to meet the Brothers.

Pamphlets from National and an emphasis on Honor and other tenets of Sigma Nu showed the rushees that we have much more to offer than just parties. Several area alumni attended rush functions, which was an aid in showing the continuing bond that Sigma Nus have with the Chapter. Those in attendance were: Tyler Smith, Scott Dixon, Ron Lawson, Jim Hanvey, David Beaman, Byron Lawson, and Steve Arendt. I would like to thank all of those who contributed their time and money to rush.

WANTED: ONE PIANO
should be in good shape

Call 522-8436 or 522-8277
ask for Phil Kelly or Gary Wells

If you are moving to a smaller place and just don't have room for that Piano we could sure put it to good use! No chapter house is complete without a piano and with the large pledge class and existing chapter it might just be the key we need to walk away with All-Sing or Carnicus.

Dear Alumni,

Epsilon Eta Chapter is off to one of its most successful starts ever this Fall. Returning are 47 actives and Fall Rush has produced 40 pledges! This is the largest pledge class Sigma Nu has had here at UT since 1969, and is the result of a successful summer rush program and the dedication of the returning actives. I would like to thank those alumni who actively participated in rush and also those who sent rush recommendations. This goes to show that Sigma Nu Alumni are always interested in the continued progress of Epsilon Eta.

I would like to remind everyone that Homecoming is November 18th against the University of Mississippi. Even though the game has been a sell-out since summer, every attempt is being made to obtain tickets for our alumni. We invite everyone to come by before the game for our traditional Homecoming lunch and, also, for our dance at 9:00 that night. There will be a House Corporation Committee meeting immediately following the game.

As we approach the beginning of our 14th year in our present house, plumbing remains our number one problem. Eventually, all fixtures will have to be replaced and, very probably, the upstairs bathrooms will have to be completely renovated and all pipes replaced. This is a very costly expenditure and all alumni donations go for house improvements, unless otherwise designated. I am confident that our alumni will continue to respond, as it becomes increasingly more expensive to maintain and operate our fraternity house. Hopefully, by the next edition of the newsletter plans will have been finalized for the establishment of our Sigma Nu Educational Trust Fund with the University, whereby tax-free donations will be made to UT, specifically designated for Sigma Nu, and the interest on this Fund can be given as scholarships to members of our chapter. Any help in this area will be appreciated.

In closing, we look forward to seeing you, whether at Homecoming or if you just happen to drop by. We are now the 7th largest of 26 fraternities here at UT and we look for continued progress. With our hard work and your interest, Epsilon Eta will always improve!

Alumni!

We need information on you for our "Here's the Nus" column. Please drop us a line telling us where you are and what you are doing. It is an excellent way to let your Brothers know how to get in touch. We are all interested in you and what's "Nu" with you!

Things are getting geared up for Homecoming right now. This year we will be going in with the Sigma Kappa Sorority. We are going to build a "mini" float which is a new category this year. It is really a challenge to make an impressive float with 10' (w.) by 10' (h.) by 10' (l.) specifications. The parade will be Friday, November 17th, and will be held on campus. I hope many of you can attend. We are also helping the American Cancer Society "Lick Cancer" by selling lollipops all over Knox-
